LEGENDARY PERU

9 days / 8 nights

Lima, Arequipa, Cusco, Machu Picchu, Puno

Since the success of our program **LEGENDARY PERU** in 2010, we had to consider it again for 2012. Following are the features that make it easy to sell.

- The program allows the arrival to and departure from Lima in any flight, be it a direct flight from Europe or via Caracas.
- To avoid annoyances because of the different altitudes, we start the program in Arequipa (2.335 masl), continuing to Cusco (3.399 masl), and ending in Puno (3.827 masl), allowing the client to acclimatize gradually.
- We have also scheduled a special outing to attend the most significant folk festival: **The Inti Raymi in Cusco**.
- Clients can choose from three hotel categories. Land services are in common with local guides (according to availability).
